Mr. Variyan had no board report.

SCC Concerns:

Mr. Haczewicz brought an area of concern to the table – for Steve to take back to the division. It seems that the new way of showing staff appreciation doesn't seem to be so inclusive. For example, the bus drivers do not want to attend as they are not necessarily attached to any one school, or they do not know the people they would be celebrating with.

The web site announcements have not been updated. A real concern from our SCC members, feeling that the school web site is a huge “mis”communication for our parents – they would like this to be fixed. They do not feel that “no solution” is an answer to what used to be available and very useful.

Next Meeting:
