September 16, 2020

Dear Raider Families,

As I write this letter we are fast approaching the end of our first full week of classes. I want to commend you all on the way that we have banded together to start the 2020-21 school year. This September has been anything but normal for our students in the "Land of Orange." Our students and staff have met each and every challenge that they have been faced with and then some.

With the onset of colder weather, we are reaching out to our Family of Raiders for some much needed assistance over the noon hour.

Presently our students are eating lunch in the classroom that they have their morning class in, or leaving the building. Students that eat lunch at school have sixty-five (65) minutes to do so. Once done eating they are to head to their afternoon class or go outside so that we can have their morning classrooms cleaned.

In our "Return to School Plan," it states that all of our large common areas have been closed. These areas include the library, cafeteria, gymnasium, and foyers. This has been done to assist our students with staying within their cohort. **To assist us as the cold weather approaches, we are asking, if possible to do so, to please have your students leave the school over the noon-hour.**

We've been pleased to see the large number of students in our courtyards and on the front lawn of the school. I'd like to remind our students to continue to social distance in these two locations or don a mask.

Thanks again for all of the cooperation shown with what is fast becoming our new normal. As always, feel free to contact me at 306-786-5555 or [mike.haczekwicz@gssd.ca](mailto:mike.haczekwicz@gssd.ca) if you have any questions or concerns.

Take care and stay safe!

Mike Haczekwicz  
Principal

cc D. Kriger  
Deputy Director of Education
