

Principal's Report
School Community Council Meeting
October 20, 2020
Meeting Held via Zoom @ 7:00pm

1. As an act of Reconciliation I would like to acknowledge that the land on which we gather today is Treaty 4 Territory; and the traditional territory of the Cree and Saulteaux, Assiniboine and Métis.

Acknowledging territory shows recognition of and respect for Indigenous Peoples. It is recognition of their presence both in the past and the present. Recognition and respect are essential elements of establishing healthy, reciprocal relations. These relationships are key to reconciliation. However, acknowledging territory is only the beginning of cultivating strong relationships with the First Peoples of Canada.
