- All grads follow a schedule posted in the Main Office for their 'Cap 'n' Gown' photos
 - These photos take place during the **first three weeks** of February, before the break, start of Semester 2
- The YRHS uses one photographer to take these photos so that we have a uniform photo format for all graduates
 - The photos that Mitch takes are used for the Class of 2023 Composite that Mitch gives the school and we hang in the Business Centre Hallway
 - The photos are also used by our award winning yearbook
 - The local newspaper uses these photos to recap the YRHS 2023 Graduates in July

Banquet & Dance:

This needs to be “parent/guardian” organized

A “Chairperson” needs to be established and be in consultation with YRHS Administration

Post Grad Activities

- **Chem Free Grad**

- If interested the student body needs to inform Mr. Sharpe before April 1, 2023
- If enough interest is generated, school staff would plan and supervise this event
- This event would be planned for the same day, June 29, 2023

- **Safe Grad**

- Traditionally this is what the YRHS has done
- Independently organized by the graduating parent/guardian body
- All meetings and organization of the event are not affiliated with the YRHS and must take place off of school property
- YRHS is not able to give out Graduating Student Names/Addresses

Pre-Grad Activities (Grad Theme Week Parties)

- **This week is not condoned, supported, organized or supervised by any employee of the YRHS**
 - Grad week consists of a week of themed parties, organized by students, that any YRHS student is invited to attend (Saturday-Saturday)
 - The teaching staff are concerned about the safety of our students as well as the type of influence the week has on academics, as some students are not functioning to capacity
 - Regular teaching instruction carries on during this week, exams do not get put on hold, neither do assignment due dates
 - If a student returns to school under the influence of alcohol and/or drugs the student receives a 5 day suspension (first offence)
 - There are many legal ramifications if hosting a party, if you plan on hosting such a party, your best course of action would be to seek some legal advice

The background of the image is a vibrant blue sky filled with a dense shower of multi-colored confetti. The confetti pieces are small, irregular shapes in shades of red, yellow, and white, appearing to fall from the top of the frame. The overall effect is one of celebration and festivity.

Graduation is
not the end;
*it's the
beginning.*
